DESCRIPTION

The C88 is equipped with a powerful and fast vacuum motor. The strong vacuum will give you a clean-crisp finish to your garments, guaranteeing professional results. The fast start up time means you won’t be waiting for the motor to rev up to speed.

Like all Reliable™ products, the C88 is built to last. It is made entirely of metal in order to ensure stability and sturdiness even for heavy-duty professional work. The built-in heating element helps dissipate the steam, and keeps the inside of the machine dry and rust free.

BEST USED FOR

Skirts, blouses, dresses and shirts
Children’s clothing
Linens and other household items
General touch-up work
